

The FAA Safety Team presents:

Changes to FAA Medical!

Don't miss this exclusive briefing on the FAA's recent changes to pilot medical certification! Featured speaker Dr. Malone, a FAA Aeromedical Examiner (AME) and local pilot, will discuss the recently approved list of medical conditions that no longer require a Special Issuance and can be approved directly by your AME. In addition to discussing this very important topic, this briefing will feature an open forum to discuss other aeromedical issues and medical application concerns. Bring all your questions and medical concerns to this important briefing! Click on the link below and register TODAY!

Directions: EAA Chapter Building across the runway from the restaurant.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
