

Did Somebody Call a Doctor?

Don't miss this exclusive briefing on the FAA's recent changes to pilot medical certification! Featured speaker Dr. Malone, a FAA Aeromedical Examiner (AME) and local pilot, will discuss the recently approved list of medical conditions that no longer require a Special Issuance and can be approved directly by your AME. In addition to discussing this very important topic, this briefing will feature an open forum to discuss other aeromedical issues and medical application concerns. Bring all your questions and medical concerns to this important briefing! Click on the link below and register TODAY!
