

Medical Conditions Your AME Can Issue (CACIs)

Featured speaker Dr. Sean Malone, MD, FACP is an FAA Aeromedical Examiner (AME) and will reveal the recently approved list of medical conditions that no longer require a Special Issuance Medical. Airmen with these conditions can be approved directly by the AME. This will be an informal lecture / discussion on the medical conditions no longer requiring a Special Issuance as well as an open forum to discuss other Aeromedical Issues and Medical application concerns. Don't miss this informative briefing. Click on the link below and register TODAY!

Directions: Private conference room. This event is being held 11 miles from the Gastonia Airport. If you fly in there, you will need to arrange for ground transportation to get to the venue. See the map link for driving directions.
