

The Dreadful Duo: Cold and Dark - Winter Flying

Winter Flying and Night Flying have a special set of hazards that challenge the best of pilots. Attend this WINGS Event and get prepared for the many risks and unique flight conditions that Winter Flying and Night Flying may impose. Refreshments will be provided. Please join us. Click on the link below and register TODAY.

Directions: Safety seminar will be given in Bob Russell's hanger. Look for the C-46 ! You can't miss it.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
