

Charlotte FSDO FAASTeam presents:

# Can I Do That?

At this event you will learn about Preventive Maintenance that you can accomplish on your aircraft and how to properly and legally sign off that work. We will include a special emphasis on Light Sport and Experimental/Amateur-Built aircraft. Plan to discuss maintenance you can accomplish on your Light Sport and Home Built aircraft. Learn the truth about "Operating Limitations". Bring a copy of your Operating Limitations and we will discuss any issues you may have with your Operating Limitations. There will be an open discussion on all maintenance issues with Amateur-Built aircraft. So, have all your questions ready! Don't miss this exclusive briefing. Click on the link below and register TODAY.

**Directions:** The event will be held in the Lacy Griffin Building, at the Asheville Regional Airport: Lacy Griffin Aviation Center. From Airport Road, turn onto Aviation Way (across from Asheville BMW). At the first stop sign, continue straight ahead into the Lacy Griffin Aviation parking area.

#### **A message from the National FAASafety Team Manager**

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
