

Pancakes, Loss of Control, Non Towered Airport Operations and the Pinch Hitter

Flight in the Danger Zone – Non-Towered Airports: presented by Bruce Johnston, CFI. Next will be Back to Basics: Loss of Control Accidents - Why So Many Accidents Happen and How to Avoid them will be presented by: Chris Kucmerowski, CFI. Also bring your friends and family; they will have the opportunity to attend the NON-PILOT PINCH HITTER COURSE while you attend the WINGS seminars. See Additional Information on the FAASTeam website for details. Don't miss this event. Click the link below and register TODAY.

Directions: The FAASTeam WINGS event will be in the Warriors and Warbirds hangar. The Pinch Hitter course will be in the executive conference room in the FBO building.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
