

The FAA Safety Team presents:

The Doctor Is In

At this event featured speaker Dr. Sean Malone, MD and Senior FAA Aeromedical Examiner (AME) will reveal the recently approved list of medical conditions that no longer require a Special Issuance Medical. Airmen with these conditions can be approved directly by the AME. This will be an informal lecture / discussion on the medical conditions no longer requiring a Special Issuance as well as an open forum to discuss other Aeromedical Issues and Medical application concerns.
