

Warriors and Warbirds Pancake Breakfast and Safety Seminar

At this exclusive event we will discuss exciting upcoming changes to the Monroe Airport, Non-Towered airport operations and the importance of safe operating practices, particularly busy ones like Monroe. Last but not least, a very important presentation on understanding of Automatic Dependent Surveillance-Broadcast (ADS-B) In and Out solutions.

To attend this big informative event, click the link below and register TODAY.

Food will be available for purchase. Bring the whole family and tour the City of Monroe's 1946 C46 cargo aircraft, "Tinker Bell". This historic aircraft is the last flying C46 in the lower 48.

Directions: The event will be held in the Warriors and Warbirds hangar starting at 9:00 AM. Breakfast will be available at 07:30 am till 0900 am. See attachment for details.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
