

Asheville Tower Tour

We will tour the control tower at the Asheville Airport. Get to know what happens behind the voice in your headset. See what the controller sees when you receive a squawk code. Watch traffic on the runway and taxiways as the controller sees it. **CLOSED: ALL SEATS TAKEN**
>

Directions: Meet at Lacy Griffin Building. We'll walk as a group to the tower.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
