

So You Want To Rebuild Your Certificated Aircraft

Are YOU prepared? Discover how you can rebuild your aircraft and save money Learn about the preventative maintenance items you can perform as an owner Learn how to manage and guide the repair processes with your IA or A&P Learn how to work with others in the Chapter on the aircraft Learn what you will need to rebuild the aircraft Learn what your requirements are while working on the aircraft

Directions: Captains Cap Seafood Restaurant between Interstate 85 and Wilkenson Blvd, Belmont, NC on the left hand side opposite of Pizza Hut. EAA Chapter will be in the back meeting room.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
