

So You Want To Legally Restore Yours Aircraft

Discover how you can rebuild your aircraft and save money and learn Learn about the preventative maintenance items you can perform as an owner and moreLearn how to manage and guide the repair processesLearn how to work with others in the Chapter on the aircraftLearn what you will need to rebuild the aircraftAre YOU prepared?

Directions: Directions:

Off Interstate 26 exit 53, Upward Rd to Spartanburg Hwy. Turn Right on Spartanburg Hwy headed west. Go down R-176 to Shepard St., turn right on Shepard St. and go pass the 4 way stop intersection and about a few hundred feet the new tourist sign will direct you to turn left on Brooklyn AVE. Then follow the signs. Once on E. Gilbert the museum entrance is only 2 houses down on the right. If you get into a trailer park you went to far.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
