

Charlotte FSO FAAS Team presents:

Learn Preventive Maintenance and Single engine Single Pilot to Alaska and Non Towered Operations

Learn from Neil Stewart, (IA/A&P), about Preventive Maintenance items you can accomplish on your aircraft and how to properly and legally sign off that work and return the aircraft to service. There will be an open discussion on all maintenance issues with all types of aircraft. So have all your questions ready!

Duncan Witte will be discussing a "Safe Flight to Alaska" as a single pilot in a single engine aircraft.

Jong Lee (flight instructor) will be presenting Non Towered Operations at the Monroe airport with special additions of the flight patterns. (See Advisory Circular attached below) Don't miss this exclusive briefing. Click on the link below and register TODAY.

Directions: Go to the east gate and enter there by calling the FBO to open gate. Drive through gate and turn right
