

Beyond the Preflight

Reminding pilots the preflight is an Inspection, not just a walk around. It is as vital as any other aircraft inspection, including their annual inspection. Learn the different types of inspections and sign-off requirements. Discussing why pilots need to know and understand AD compliance requirements and AD record requirements.

Directions: Exit 40 off of Interstate 26, turn to the Asheville Regional Airport. Turn right on to Aviation Way. The event will be held in the Lacy Griffin Building (Western North Carolina Aviation).
