

FAA Portable Reduced Oxygen Training Enclosure (PROTE)

Wednesday, May 8, 2024 – Saturday, May 11, 2024

Experience hypoxia symptoms while being safely monitored in the PROTE Chamber.

- No-cost, valuable hypoxia training opportunity for qualified pilots! *
- Determine what your hypoxia symptoms are in order to recognize them.
- Important for pilots flying in the high-altitude environment.

To participate and experience the Prote Chamber, you must have:

- **Current FAA First Class, Second Class, Third Class Medical, or Basic Med.**
- **Must be at least 18 yrs old.**

These will be checked at check-in. We need you to show up 1 hour before your time slot for the chamber. You can plan on a total time commitment of less than 2 hours.
