

CFI Certificate - What Is New With Our Renewal Process

This seminar is designed for **Certified Flight Instructors (CFIs) and Designated Pilot Examiners (DPEs)**; however, **all pilots are welcome—especially those aspiring to become a CFI.**

We'll explore key topics, including:

- **CFI Renewal Process:** What do the latest changes mean for renewing your CFI certificate?
- **Endorsements & Logbooks:** How should CFIs properly document endorsements for training pilots and logbook entries?
- **Recent Experience Requirements:** What qualifies as 'recent experience,' and how does it impact CFIs and their students?
- **Other Critical Changes:** What additional regulatory updates should CFIs be aware of?
