

All Pilots - CFI Series - Planning Instructional Activity

Guided CFI Ground School is an interactive lesson that can apply for all levels of pilots. Our CFI candidates will go through topics weekly, and then stay for any questions that the audience may have. We utilize the ASA Flight Instructor Syllabus (ASA-PM-S-CFI2-PD). We will review the role of the flight instructor including requirements and responsibilities. Our CFI candidates will come with a presentation ready, and will invite feedback and critique of their presentation and presenting skills.

From Perth Road turn left into Lake Norman Airpark and proceed to 149 Yeager Road. The FBO is the last blue building on the left. Enter the lobby for Race City Flight Ops turn left and the CFI Series will be held in the large upstairs classroom area.
