

Hickory Regional Airport Runway Safety Action Team Meeting

Runway incursions remain a significant safety concern nationwide.

As part of our ongoing efforts to enhance surface safety at Hickory Regional Airport (HKY), we will be conducting this year's annual **Runway Safety Action Team (RSAT)** meeting.

This important meeting brings together airport management, air traffic representatives, tenants, flight schools, and pilots to identify and address surface safety issues and to develop strategies for risk mitigation.

Your participation is essential. Join the discussion and contribute to making HKY a safer airport for everyone.
