

# Civil Air Patrol Pilot Training for Mountain Search Flying-CAP Pilots Only

At this exclusive event Ground Training will be covering Search Procedures as well as Mountain Flying safety, aircraft performance, emergency procedures, mountain weather/winds and there effect on aircraft performance., and survival skills.

Note: After completion of ground school, each CAP Pilot will fly with a Mountain Fury certified CAP training pilot to perform actual search flights in the Blue Ridge Mountains of North Carolina.

**NOTE: This event is for Civil Air Patrol Pilots only.**

All ground training will be conducted at the Asheville CAP Squadron Hangar 6, with flights originating and recovering at KAVL. Mission operations for flights will take place in the Signature FBO Conference Room. The safety presentations are expected to total approximately 3.5 hours of ground training.

**This event is for CAP Pilots only**
