

How to Get ANYTHING You Want from ATC

Mark Schreier, retired from over 30 years as a controller at one of the worlds busiest airports and flying now as a corporate pilot, will teach you the "magic" words to use to get ANYTHING you want from AirTraffic Control. After attending this seminar, you will possess the radio skill required to fly ANY airport in the world.

This will be held at the September WNC Pilot Association meeting at the Lacy Griffin room adjacent to WNC aviation.
