

## CFI/Pilot Forum - Aviation Insurance Update and Hindsight Bias/CFIT

Join the North Charlotte FAA Safety Team for a CFI and pilot forum covering current aviation insurance considerations, local safety trends, operational lessons learned, and the June FAASTeam Topic of the Month: **Hindsight Bias and Controlled Flight Into Terrain (CFIT)**.

Discussion will include how hindsight bias can affect accident review, pilot decision-making, and the ability to learn useful safety lessons before similar risks show up in our own flying.

FAASafety.gov, FAASTeam resources, and the **WINGS** Pilot Proficiency Program will be promoted. **WINGS** credit available.

From Perth Road turn into Lake Norman Airpark and proceed to 149 Yeager Road. The FBO is the last blue building on the left. Enter the lobby for Race City Flight Ops and take a left and follow the signs to the large UPSTAIRS classroom.
