

Speaking Up About Safety and the Impossible Turn

Join us for an engaging and informative forum designed for CFIs, local pilots, and aviation enthusiasts.

We'll also discuss the "impossible turn," focusing on engine failure after takeoff, preflight planning, and the risks and considerations involved in deciding whether to attempt a return to the airport. Participants are encouraged to share questions and lessons learned.

This is a great opportunity to network, share insights, and support a strong local safety culture. WINGS credit available.

From Perth Road turn into Lake Norman Airpark and proceed to 149 Yeager Road. The FBO is the last blue building on the left. Enter the lobby for Race City Flight Ops and take a left and follow the signs to the large UPSTAIRS classroom.

A message from the National FAASTeam Manager

Earn your WINGS to get a chance to win a prize. Go to <https://www.wingsindustry.com/WINGS-Sweepstakes> for more info. Join us on Facebook: <https://www.facebook.com/groups/GASafety/>
