

North Dakota FAASTeam presents:

UMAS Scheduled Event: Surviving an FAA Ramp Inspection

As airman, we are required by regulation to accomplish some basic functions prior to any flight. We'll talk about what the FAA Inspector will be looking for if they approach you on the ramp. Don't worry, if you followed the rules you have nothing to fear...but did you? We will discuss the Ramp Inspection process from start to finish, your rights and theirs.

This seminar is being held as part of the Upper Midwest Aviation Symposium being held in Fargo, North Dakota, from Sunday March 3rd thru 5th at the Ramada Plaza Suites.

The UMAS event does have a cost. Please refer to event number GL0048844 listed on www.faasafety.gov for registration and cost information.

Don't miss out on this great aviation event. Special guest speakers representing various backgrounds in aviation will entertain you. Visit <http://www.ndac.aero/umas.htm> to obtain the most current schedule of events. See you there!

You can also contact the North Dakota Aeronautics Commission for additional information at (701) 328-9650.
