

The Kings on 'Avoiding Unwanted Adventure' - 1:00 - 2:15

The King's need no introduction, they have been on the cutting edge of aviation training for over 40 years. King schools continues to transform pilot training by pioneering the development of multimedia training programs on many aviation subjects including ground-breaking programs on aviation risk management. Stop by for their latest presentation on "Avoiding Unwanted Adventure".

Directions: FAA Safety Center Forum - EAA AirVenture 2015 - is next to the Air Traffic Control Tower.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice.
