

Understanding Airspace: A Hands-On Approach - 8:30 - 9:45

Peg Ballou is a Certified Flight Instructor (CFI) and operates Ballou Skies Aviation. Peg will be discussing "Understanding Airspace: A Hands-On Approach". Learning the basics is as important as ever and understanding the classes of airspace is one of those "basics" that everyone needs to be proficient with. Stop by for this important lesson.

Directions: FAA Safety Center Forum - EAA AirVenture 2015 - is next to the Air Traffic Control Tower.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
