

LRSAT - BISMARCK Airport Local Runway Safety Action Meeting

Runway incursions remain a serious concern nationally. One important component of our ongoing efforts to improve surface safety at BIS involves conducting a Runway Safety Action Team (RSAT) meeting at least once each year. The annual Runway Safety Action Team meeting is scheduled for July 28, at 10:00 AM in the second floor airport conference room.

Directions: The Bismarck Airport is just on the South East end of the city of Bismarck, ND.
