

# LRSAT - Minot Airport Local Runway Safety Action Meeting

Runway incursions remain a serious concern nationally. One important component of our ongoing efforts to improve surface safety at MOT involves conducting a Runway Safety Action Team (RSAT) meeting at least once each year. The annual Runway Safety Action Team meeting is scheduled for July 28, at 02:30 PM in the second floor airport conference room.

**Directions:** The Minot Airport is on the North end of the city of Minot, ND.
