

An Entirely New Look at Fuel Exhaustion

As strange as it may seem, fuel exhaustion accidents are still happening. Stop by and hear Scott Philiben explain the history of fuel management, fuel exhaustion statistics, "near misses", human factors, and what is being done today with modern technology to help solve this problem.

Directions: The FAA Safety Center Forum is located next to the Air Traffic Control Tower.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
