

Ditching and Water Survival

We all know that bad things only happen to the other guy, right? Well, maybe it would be fun then to learn what the "other guy" goes through when all does not go as planned. COMO Robert T. Shafer, US Coast Guard Auxiliary, will present his popular presentation on "Ditching, Water Survival, and Why You Need a 406 ELT!"

Directions: The FAA Safety Center Forum is located next to the Air Traffic Control Tower.
