

## The Kings on ACS Risk Management Strategy

After an aircraft accident and discovering their own sense of vulnerability, John and Martha say they have become “born again pilots”. The Kings use humor and stories from real-world cross-country experience to vividly illustrate principles of risk management and pass along practical and insightful tools you will use forever.

**Directions:** The FAA Safety Center Forum is located next to the Air Traffic Control Tower.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
