

How to Talk to Air Traffic Control

Heather McNevin has been a pilot since 1996, an Air Traffic Controller since 2006, and is a current NAFI Master Aviation Educator. She is also a FAA Safety Team (FAASTeam) Representative and currently works as an Air Traffic Control Specialist (ACTS) at the Minneapolis Air Route Traffic Control Center (ARTCC). Heather has administered pilot specific training to more than 1100 pilots at Minneapolis Center. There is no one more qualified to help you polish your skills or to help you get over your fears of talking to ATC.

Directions: The FAA Safety Center Forum is located next to the Air Traffic Control Tower.
