

## Those Daring Aviators in their Flying Machines

Greg Feith is a former Senior Air Safety Investigator and "Go-Team" captain with the National Transportation Safety Board (NTSB) and has investigated well over 2500 aircraft accidents. His presentation, "Those Daring Aviators in their Flying Machines", will help us understand why incidents and accidents occur and will offer some tips/tricks to insure the highest level of operational safety for pilots and passengers.

**Directions:** The FAA Safety Center Forum is located next to the Air Traffic Control Tower.
