

## Ditching and Water Survival

We all know that bad things only happen to the other guy, right? Well, maybe it would be fun to learn what the "other guy" goes through when all does not goes as planned. COMO Robert T. Shafer, US Coast Guard Auxiliary, will present his popular presentation on "Ditching, Water Survival, and Why you need a 406 ELT".

**Directions:** See following link for directions to the AirVenture Seaplane Base. If the link does not work, copy and paste it into your web browser.
