

## 1-800-WX-Brief - Flight Planning Made Easy

Pilots need flight specific, accurate, an easy to understand weather information tailored to their needs. Learn how today's Flight Service is delivering exactly that through their popular flight planning apps. Joe Daniele is a Senior Systems Engineer directly engaged in operational systems support for Lockheed Martin Flight Service and will walk you through how they are working hard to provide you with the information you need to fly safe.

**Directions:** See following link for directions to the AirVenture Seaplane Base. If the link does not work, copy and paste it into your web browser.
