

TFRs and Interceptors - How to Avoid an Fighter Escort

What the . . . ? There is an F16 off my wing?! This could never happen to you right? LtCol Mike "Alvin" McMillan is chief, NORAD civil aviation education and training program at NORAD Headquarters in Colorado Springs, CO. He will fill you in on how these things happen, tell you what is going on in the cockpit of that F16 during the encounter, and what is expected of the pilot in command should this happen to you.

Directions: See following link for directions to the AirVenture Seaplane Base. If the link does not work, copy and paste it into your web browser.
