

**How Many Drinks/Pills Does It
Take to make YOU IMPAIRED???**
AND

TFRs — Now More Than Ever !!!!

**"We ALL need
to work together !!**

**Whiteside County Airport — Main Terminal
Monday, March 30th — 7:00 PM
Open to the Public — All Welcomed**

⊗ Dr. Matt Hunsaker, local instrument-rated pilot, Designated Aviation Medical Examiner and a program director for the University of Illinois' School of Medicine will demonstrate, with the aid of volunteers, the effects of alcohol and over-the-counter drugs on the pilot's cognitive abilities. **THIS SHOULD BE REALLY, REALLY INTERESTING !!!!**

AND

⊗ Air traffic controllers and FAA representatives from our local area will be here to discuss the new challenges caused by an increased number of TFRs as our new federal politicians frequent the area. Discussions will reveal both how the FAA Controllers identify violators and how the FAA deals with those violators. Controllers from the **Rockford TRACON** and the **Quad City TRACON** will be on hand.

This informative session will be held at the Whiteside County Airport, Illinois, (SQI), Main Terminal at 7:00 — 9:00 pm on Monday, March 30th. The session is open to the public and all aviation enthusiasts are encouraged to attend. Refreshments will be served. (This session will qualify for a safety seminar credit for the *Wings Program*.)

This session and the refreshments are sponsored by:
