

Runway Safety Program Office presents:

# 'When you cross the line.....'

The rules of the road are changing and the Great Lakes Runway Safety Office is participating in a "Summer Initiative" to raise awareness about Airport Safety. This interactive program is designed to increase pilots' ability to stay safe while operating on any airport

**Directions:** Passenger Terminal (Old Control Tower) on the north side of St Paul downtown airport (STP)

## A message from the National FAASTeam Manager

The new WINGS–Pilot Proficiency Program is great! Check it out now!
