

'When you cross the line.....!'

The rules of the road are changing and the Great Lakes Runway Safety Office is participating in a "Summer Initiative" to raise awareness about Airport Safety. This interactive program is designed to increase pilots' ability to stay safe while operating on any airport.

Directions: The seminar will be held in the lunch room. In the front door then right

A message from the National FAASTeam Manager

The new WINGS—Pilot Proficiency Program is great! Check it out now!

Sign up for the FAA's safety services at www.FAASafety.gov!
