

The L-39 'Albatros': Flying, Training, and Systems

This seminar will explore all aspects of the L-39 'Albatros' including flying, the training process, aircraft systems, and the ownership experience. After the seminar, participants will be able to ask questions to the Gauntlet Warbirds staff and explore some of Gauntlet's aircraft, including our Decathlon, T-6, Extra 300Ls, and L-39.

Directions: As soon as you turn off of US 30 to enter the airport, make an immediate right. Pass the "Chicago Jet Group" hangar and turn left. You will see Gauntlet on your left. Parking is available in front of our offices and west of the south ramp extension. Enter through Gauntlet's offices.

A message from the National FAASTeam Manager

Over 136,600 pilots earned WINGS credits last year. Will you, this year?
