

Illinois FAASTeam presents:

Free Lunch and Safety Seminar

Following a light lunch at noon we will talk about summer time flying, review density altitude and review some things to consider when flying to a new airport or new area of the country.

Directions: Hangar 9 is the same hanger where Priester Aviation is. We are on the second floor of the North end of that hanger, the entrance closest to Atlantic.

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!
