

N/A presents:

# **Weekend Private Pilot Ground School**

Preparing for the written can prove to be difficult with your busy lifestyle. Not only will these classes save you several hundreds of dollars, but over the course of one weekend, you will find yourself prepared to take the FAA written exam. The ground school is scheduled October 12th, 13th and 14th (Start date subject to change based on enrollment).

The schedule is as follows:

Friday 6:00 p.m.- 9:00 p.m.

Saturday 8:00 a.m.- 5:00 p.m.

Sunday 8:00 a.m.- 5:00 p.m.

Required course materials: E6B Flight Computer  
Course Plotter Private Pilot Test Prep  
Manual Included: Illustration Packet Catered  
Lunch

Nothing can compare to a rewarding career in aviation. If you or a fellow airman have been flying or have been a mechanic for more than 50 years you qualify for the Wright Brothers Master Pilot or Charles Taylor Master Mechanic Awards. Simply go to [faasafety.gov/Pilots/Award](http://faasafety.gov/Pilots/Award) Programs for more information.

The Great Lakes Region FAA Safety Team (FAASafetyTeam) values your input.

### FAASTeam Feedback

WINGS credit is available for this program. If you wish to receive WINGS credit for attending this seminar please pre-register at this site. When you pre-register for seminars, you insure that credit is correctly applied to you. When you attend the program a WINGS credit sheet will be available at the registration desk. The WINGS credit sheet is what actually gets you WINGS credit for attending the event. Make sure you initial it next to your name. You may also obtain WINGS credit by adding your name and email address to the WINGS credit sheet at the seminar, but if you do this, please make sure that the email address you use is registered on [www.faasafety.gov](http://www.faasafety.gov). You must have an email address to receive WINGS credit.

For more information on the new WINGS program, click on WINGS Pilot Proficiency Program on the [www.faasafety.gov](http://www.faasafety.gov) site, or ask a FAASTeam Representative for assistance with the program.

**Directions:** Please contact Fly There LLC at (224) 588-9364 for more details.

**A message from the National FAASafety Team Manager**

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
