

Advanced Avionics Integration

This presentation will explore the similarities and differences between Legacy and Modern avionics systems as well as introduction to ADS-B and the 2020 requirements. Emphasis will be placed on the relationship between airframe components and cockpit display, as well as, ADS-B / panel mounted display options. Ample time will be allotted for specific questions.

Directions: Seminar will be held at Hangar 19 next to the Control Tower. Beverages will be served at 6:30 p.m.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area

Sign up for the FAA's safety services at www.FAASafety.gov!
