

## Aircraft Maintenance Workshop

Learn about preventive maintenance on your aircraft. Brief presentation by FAA on regulatory concerns. Followed by interactive workshop and demonstrations of routine maintenance that the owner can do. See Additional information for more details about this event. Wings and AMT credit available.

**Directions:** Event will take place at Galt Airport at the JB Aviation Maintenance Shop

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
