

Moline Airport and Area Operations & Avoiding Fuel Exhaustion

Personnel from the Moline tower will discuss operations at the Moline Airport as well as air traffic Area Operations. DuPage FAA FAASTeam will present a program on Avoiding Fuel Exhaustion. Please pre-register so we know how many to expect. See additional information for more details on this event.

Directions: The event will be held at the west end of the Terminal Building next to the administrative offices. Park in the "long term" parking and enter the terminal door #2. "Free" parking passes will be given to participants.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
