

DuPage FSDO FAASTeam presents:

AOPA's Rusty Pilots Program Presented by Chicago Premier Flight Training

Life may have gotten in the way, but the dream of flight can be yours or someone you know again. Returning to the skies is not as difficult as most rusty pilots think. We're inviting you back in the cockpit and will help you get there. Come and participate in a FREE Rusty Pilots program with fellow lapsed pilots. We will help you understand what's changed in aviation since you've last took the controls and brush up on your aviation knowledge. The Rusty Pilots program is developed by AOPA in partnership with local flight training providers in order to create the best environment for getting you back in the air and apart of the general aviation community. It is easier than most people think – no FAA checkride or test Might not even need a medical Participate in Rusty Pilots and you've fulfilled the ground instruction required of the flight review

Directions: Once on the airport property please proceed to Hanger #3

Look for AOPA Rusty Pilot Signs

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
