

National Weather Service Products for Pilots

This Seminar will cover various National Weather Service weather products and services available to aid in flight planning and how to interpret and use them

Directions: From I-55 go North on Weber Rd. to Clow International Pkwy. turn left (west) -- road will dead end in airport parking lot. Illinois Aviation Museum is Northern most hangar facing runway. Parking is in airport lot or on East side of museum. Be aware to get to the lot east of the museum you will be on an active taxi way.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
