

## Bolingbrook IMC Club Meeting

IMC Club provides organized “hangar flying” focused on building proficiency and learning from others experience in instrument flying. Safety and proficiency are developed through education and sharred experiences. Learn how you can use real world scenarios to increase your level of safety. An instrument rating is not required for attendance.

**Directions:** From I-55 go North on Weber Rd to Clow International Parkway then turn left, go to the end of the road and turn right at the airport sign. Go past the stop sign to parking lot at the end of the roadway. The Illinois Aviation Museum hangar faces the runway and is directly across from outside display aircraft. Entrance to the hangar is door on right as you face hangar.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the “Contact Information” area of the meeting/event notice. Note that two weeks is usually required to arrange services.
