

DuPage FSDO FAAS Team presents:

Vmc Training & Angle of Attack

This Seminar discussion will include:

- The scope and safety benefits of Vmc recurrent training
- The safety benefits of flight by reference to AOA
- Affordable AOA installation options.
- Training and equipage to avoid loss of control accidents

Please join us at 18:00 hrs for refreshments followed by presentation at 18:30 Hrs.

For details, Contact Avel Flight School:

email: fly@avelflightschool.com

Phone: 847 466 5161

Cell: 847 246 2231

Directions: The building is located on the north east corner of the airport. Please use the Powis Road Entrance of the airport. This is the brown hangar previously used by American Flyers.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
