

Sport Pilot Instructor. Understanding what it takes to become or train a Sport Pilot CFI.

Becoming an instructor is one of the most rewarding certificates to earn in aviation. In 2004 the SPort Pilot category was introduced and also provided a new path for pilots who desired to instruct. We will cover the details of what it takes to become a Sport Pilot flight instructor. This will also include a brief discussion on Sport Pilots and the rules that they operate under.

Directions: If you are driving in, as you enter the airport take the first left then the next right turn into our parking lot. If you are flying in, SimplyFLY is on the SW corner of the East ramp at Aurora Airport in Sugar Grove.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
