

South Suburban Chapter of the Illinois Pilots Association Aviation Safety Seminar

Single Pilot Resource Management - Hal Jackman, A&M Aviation will discuss the planning and steps to take to fly safely in the single pilot VFR and IFR environment. An ADS-B Update - David Kay, J.A. Air Center will address the various products available to equip aircraft to comply with ADS-B requirements.

Directions: Enter the airport from Glenwood-Lansing Road. Windy City Aero is located along Airport Drive just east of the main entrance.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
