

Density Altitude Seminar

This seminar will review the key contributing factors to "Density Altitude" and their relative importance. Practical calculation of Density Altitude will also be shown.

Directions: Rakow Rd west, to Pyott Road, then south on Pyott Road to airport entrance. Go to stop sign, then right to Wind Sock Center.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
